ON PRAYING FOR THE BISHOP

1st Week

Lord God, open our minds, our hearts, and our eyes that we may see you and choose as you would, a new Bishop of faith and godliness.

2nd Week

Blessed Lord, you speak to us through the Holy Scriptures. Grant that we may hear, read, respect, learn, and make them our own in such a way that the enduring benefit and comfort of the Word will help us grasp and hold the blessed hope of everlasting life. Further, we are bold to pray that you call a servant who will teach the Holy Scriptures with passion and faithfulness.

3rd Week

O most loving Father, open our ears and guide our our tongues that, in all our conversations and deliberations, our listening and speaking might be filled with your grace and favor as we prepare to elect our Bishop; Through Jesus Christ, our Savior and Lord.

4th Week

Almighty God, make known to us who best will share compassion and grace to care for our clergy; churches and ourselves; through Jesus Christ, our Savior and Lord

Almighty God, source of all mercy and giver of comfort: Deal graciously; we pray, with those who mourn, that, casting all their sorrow on you, they may know the consolation of your love; through your Son, Jesus Christ our Lord.

Rev. Samar Ghandour:

**BACK IN LIBERIA:
A SUMMARY PLAN AND
WORK PROGRESS REPORT**
Brethren, the Lord be with you.
I am pleased to report to you that I am in Liberia after a very thirty-six hour-long journey. I

praise our God for the safe travel, and the warmth of the reception of the people and the team of workers here. It was a great and inspiring time. I continue to appreciate the dedication of the people to the work despite the challenges they continue to face in the country

As a part of the next five-year revolving plan, we are trusting the Lord Jesus Christ, through the Holy Spirit, to help us start one hundred and one churches, a Bible college; recruit three hundred church workers for discipleship, mission, evangelism, and church leadership training; help with the construction of ten churches; and one Christian high school.

For 2018/2019 operational year, we are looking to the leading and empowering of the Holy Spirit to start ten churches and begin the Bible college with at least ten students for the 2019/2020 academic year. In addition, we are trusting that we will recruit one hundred of the three hundred people and begin the training and equipping.

We have already begun this process through region one with the training of lay and clergy members for mission, evangelism, church planting, church leadership, and discipleship. This training would be followed up with an advanced level.

Furthermore, we will continue to assist with external materials as the construction of the Sanniquillie church continues; and provided

minimum assistance and supervision with the expansion of the Dwazon church. The Tienii, Kakata II, Bacon Town, Buchanan, Gbesseh, Nagbena, and Nyeila churches would receive external materials assistance to assist with the starting of the construction. Please continue to pray for us that the Lord will continue to hold our hands, give us wisdom, and keep us faithful, and healthy.

Please accept our thanks and appreciation for your prayers, support, critique, and suggestions as we strive to do the work our God has called us to. Without your prayers and support the work would not have been to where it is now. We continue to remain grateful.
